BIFOLD DOORS · STEEL-LOOK HERITAGE SASH BIFOLD

Decorio Heritage Bifold

A bifold door that keeps the heritage look. Its steel-look sash mirrors classic steel doors and pairs with Decorio and AluK heritage windows and doors, so a wide garden opening doesn't break the style of the house. Ideal for period homes, conservation areas, extensions and new builds.

2–9	15mm	PAS 24
panel configurations	low threshold option	security tested

Technical details

Sash	Heritage, steel-look
