HERITAGE · STEEL-LOOK SINGLE AND FRENCH DOORS

Decorio Heritage Doors

Striking steel-look entrance and garden doors, precision-built to order in the UK. Fully bespoke glazing bar layouts, side panels and toplights for larger openings, a slim thermally broken frame and a 15mm low threshold option for level access. Ideal for period renovations, conservation areas and replacing old steel or timber doors.

67mm	1.5	15mm
typical sightlines	U-value (W/m²K)	low threshold option
