SLIDING DOORS · SLIMLINE INLINE SLIDING DOOR

EdgeGLIDE+

A slim and robust inline sliding door that suits a wide range of homes. A 35mm interlock, smooth-running panels and the option of triple glazing make it a great all-rounder.

35mm	2.2 × 2.6m	1.2
interlock sightline	maximum panel size	U-value from (W/m²K)

Key benefits

- Modern square look with an ultra slim 35mm interlock
- Panels up to 2.2m wide and 2.6m tall
- Double or triple glazing, with units from 14mm to 36mm
- 70mm frame depth for easy replacement of old patio doors
- Stylish colour-matched hardware and multi-point locking
- Single or dual colours, plus anodised finishes
- Also made as a sliding window, so windows and doors can match

Ideal for

Renovations · Patio openings · Sliding windows · Triple-glazed projects · Dual-colour schemes

EdgeGLIDE+ panels all slide. If you need fixed panes, Cor Vision is the better choice.

Talk to us about your project: we work from drawings, measure every opening on site, and fit with our own team.
