Ideal for

Kitchen & living extensions · Orangeries · Flat-roof renovations · New builds · Large open-plan rooms

Sizes are external dimensions. We'll survey the opening and upstand, check planning and building control needs, and confirm the glass and layout before ordering.

Talk to us about your project: we work from drawings, measure every opening on site, and fit with our own team.

Manufacturer data. Performance varies with size, glass and configuration, and is confirmed at survey.
